- Only essential and official Girl Scout personnel stay with the group during the clinic.
- There will be gloves, mask, disinfectant wipes, sanitizer, paper towels, etc.... available at all times for anyone needing them.
- Covid-19 waivers may be requested depending on mandates, virus conditions, and attendance count.

Please bring:

- Long pants for riding (if girls are not wearing them)
- Heeled boots or shoes for riding
- Sunscreen and or insect repellent if desired
- A water bottle and or snacks
- Any funds that may still due. Please remember though, a payment is required to reserve the date.
- Any forms, waivers, or paperwork that has not been already sent in to Chasing Laurels
