

TREFOIL TREK

CHOOSE YOUR OWN ADVENTURE!

Welcome to the **Trefoil Trek Nature Walk Challenge**! Get ready for an exciting adventure to explore nature and discover the great outdoors. Choose your adventure and take a trek through nature. Follow the directions below to get started!

1. Choose your adventure: explore your local park, take a walk through your neighborhood, or check out a State Park near you! Use the [DNR Directory](#) to find the closest State Park.
 - a. Don't forget to use a trail map to help you navigate your trek!
2. Be sure to practice Leave No Trace: stick to existing trails, don't litter, and leave all natural items where you find them. Grab a bag and pick up any litter you find too!
3. As you travel, see if you can find and check off:
 - A bird
 - Something shaped like a Girl Scout cookie
 - A mushroom
 - An animal
 - An acorn or walnut
 - A leaf that is larger than your hand
 - A butterfly or moth
 - A pinecone
 - Something that is blooming
 - An animal footprint
4. When you have finished your trek, scan the QR code and fill out the form to claim your free patch!
