DataSetGold

Hey Senior and Ambassador Girl Scouts! Are you ready to dive into the exciting world of data science? Together with the Principal Foundation, Girl Scouts of Greater Iowa brings you DataSetGold — a groundbreaking program designed just for you! Learn essential skills, boost your financial literacy, and prepare for an awesome future.

DataSetGo Digital Education Program

» **Data Science Foundations:** Discover the basics of data science. Learn about cool concepts, tools, and techniques that data scientists use every day.

» **Data Science Exploration and Financial Wellness:** Find out how data science is transforming the finance industry and how you can use it to better manage your own money.

Take Action Plan

Once you've completed DataSetGo, it's time to put your new skills to the test!

» **Identify an Issue:** Choose a community problem you're passionate about.

» **Research and Plan:** Dig deep to understand the problem and its root causes. Develop a data-driven plan to tackle it.

» **Make a Difference:** Implement your plan and use data to show the impact you've made.

Gold Award Integration: Use your Take Action plan as the foundation for your Gold Award proposal. The Gold Award is the highest achievement in Girl Scouting and a fantastic opportunity to showcase your leadership and commitment to making lasting change.

Awesome Rewards and Recognition

» **$200 Start-Up Funds:** Get a head start on your Gold Award project.

» **Custom Patch:** Earn a unique patch that highlights your accomplishment.

» **Gift card:** Fuel up with a gift card to a local coffee shop.

» **Opportunity to apply for a scholarship!**

Why Join DataSetGold?

» **Build Your Skills:** Gain valuable knowledge in data science and financial literacy.

» **Career Ready:** Learn about the exciting career opportunities in data science and finance.

» **Be a Leader:** Create and lead a project that makes a real difference in your community.
